Please join us for the range of events we have planned for our 2023 Kindergarten children and their families.

Kindergarten Interviews for Families and Children

7th September – 16th September

Each student and their family enrolling in Kindergarten for 2023 are invited to attend an enrolment interview with our Deputy Principal or Assistant Principals. At this time you will have the opportunity to share information about your child's interests and needs as well as ask any questions you may have about the school.

All students joining us in 2023 are invited to spend the morning participating in a range of activities as part of our *Kindergarten Orientation* program.

Meanwhile, parents will join us in the school hall for an information session run by our school leadership team. We will provide a comprehensive array of information on all aspects of life at school and school programs.

Play Sessions for New Students

Tuesday 1st and Tuesday 8th November

Join us with your child for a play session hosted by our school's current Kindergarten teachers, the 2022 Kindergarten and senior students. You will have the opportunity to meet other parents while your child plays with other children starting school next year.

Best Start Assessment Period

Tuesday 31st January – Friday 3rd February 2023

The Best Start Kindergarten Assessment takes around half an hour and will be conducted prior to your child beginning school. This is an individualised assessment that helps teachers identify the literacy and numeracy knowledge and skills each child brings to school as they enter Kindergarten. We will make individual appointment times in December.
